DIANA L. WEISS, attorney for defendant Brandy Minner, and AUSA Keslie Stewart, on behalf of the United States, do hereby STIPULATE THAT:

- On September 28, 2007, Defendant Brandy Minner was sentenced to 3 months in prison and 3 months home confinement with electronic monitoring.
- On March 5, 2008, this Court granted the Government's Motion to Reduce Sentence Pursuant to Rule 35(b) and defendant Minner's sentence was reduced to 1 day in prison.
- The original Judgement & Commitment Order issued in this matter remains in effect and includes that as a Special Condition of Supervised Release defendant Minner shall be placed on 3 months home confinement with electronic monitoring.
- The parties agree that the Rule 35(b) Motion was intended to eliminate the Special Condition of Supervised Release that imposed 3 months home detention with electronic monitoring.

5. The parties therefore request that this Court issue the attached Order that expressly removes the Special Condition of Supervised Release requiring defendant Minner to be placed on 3 months home detention with electronic monitoring.

SO STIPULATED.
